

The Brick Block

with Diane Harris

A Stash Bandit Brief

Supply List

1. Fabric: To get started, you'll need two fat quarters (a fat quarter is approximately 18" x 20") of quality quilting-weight cotton fabric that clearly contrast with each other. One should be considerably darker than the other, as shown in the two blues at right. Any prints or solids are fine if they contrast. To go further, have 6–10 more fat quarters in colors you love. Or plan to dig into your stash!
2. Rotary cutting tools: cutting mat, rotary cutter and rotary cutting ruler (4-1/2" x 18" is a good size if you're buying your first one).
3. Sewing machine: A straight stitch is all you'll need for this project.
4. Thread: Good quality piecing thread in a neutral color like tan or medium gray, 50 weight or 60 weight.
5. Design wall: Something you can use as a design wall, such as a large piece of flannel or a large piece of batting. It needs to be at least 40" x 40" but bigger is better!
6. Basic sewing supplies: straight pins, scissors.
7. Pattern: I will provide the Brick Block pattern in class. It will be helpful if you can print it, but it's not absolutely necessary.

I'll see you soon! ~Diane 😊
