Sun. to Wed., Sept. 24-27, 2017

at the beautiful

Hunt Nebraska Lodge
Arapahoe, Nebraska

Relax for two and a half days of sewing fun with quilting friends old and new! Learn about string piecing to use up your scrap stash, trade fabrics, gather ideas and get inspired as you make something beautiful and creative. Your project can be as calm and traditional or as wild and wonky as you like. It can be large or small. It can be pieced or appliquéd, in blocks or strips, in brights or reproductions. The beauty of the string piecing theme is that you can learn the techniques and use them to create something you will love no matter what your tastes.

Let us do the cooking and cleanup while you relax and sew! We have fun, interesting things planned to delight and engage you for two and a half days of leisure. Arrive Sunday evening for wine and cheese and an introduction to string piecing. Stay up late to sew, or retire at bedtime to be rested up for fun on Monday!

Spend Monday and Tuesday learning and creating under the guidance of an experienced string piecing pro. Replenish supplies as needed at Wagner's Quilts.

Take part in specially designed activities as you wish, just to add to the enjoyment. See one of Diane's most popular trunk shows one evening!

Wednesday morning, enjoy brunch, retreat wrap-up and Show & Tell before leaving for home around 11 am. Head out feeling inspired and energized to move your quilting life forward!

\$275 includes clean, comfortable double occupancy lodging, sewing area, 8 delicious meals, goodie bag, door prizes, 2.5 days of instruction and one trunk show from Diane Harris. Bonus demonstrations to increase your quilting skills included! If you prefer, choose single occupancy lodging for an additional \$117 (\$392 total).
